

Diploma in Business

(R/0410/4/0008) (05/28) (MQA/FA9481)

Let's See What We Do

This programme aims to produce business graduates with organizational and interpersonal skills who can work effectively with others to adapt to an ever-changing business environment.

Our graduates will have a clear grasp of all functions of business (accounting, marketing, operations and computer applications) and will work effectively in culturally diverse organizations.

Our graduates will have an interest in understanding the modern business dynamics. Additionally, they develop knowledge and skills in challenging business industry.
